Intelligent Equipment

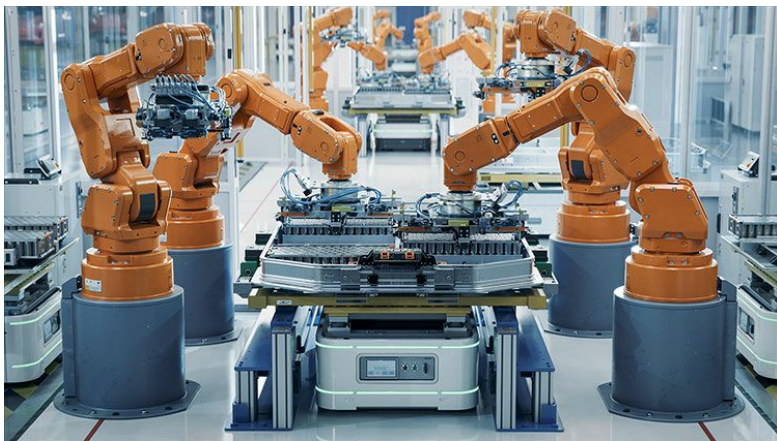

**Prepared For:**

**Date: 11/20/2024**

**Prepared By: Bill Admin**

## OUR HISTORY

GleanBotro has been manufacturing high quality intelligent robotic equipment for the past 50 years. We are the leaders in industrial automation and have over 1M square feet of factory space in Jacksonville, Florida.

## OUR PRODUCTS

GleanBotro products have won every major industrial automation design award for the past 20 years. Our products are used in automotive, electronics, food and beverage, and metal fabrication facilities around the globe. We spend over \$100B dollars per year in R&D to make sure we stay at the forefront of innovation in robot technology.

## OUR SUPPORT

We provide unmatched support to our customers, including on-site, online and phone support. We offer a wide range of support options that will ensure that you get up and running quickly and stay that way for many years to come. Every one of our support plans includes Platinum level support from the most knowledgeable support representatives in the entire industry.

## Peachboat Electronics - Florida:

"GleanBotro helped us improve our factory efficiency by 50% by installing their advanced technology robots in our lines. We looked at the competition, but no one had the reputation and service of GleanBotro. It was the best decision we have every made. I would highly recommend them"

Julinado Renfro – Peachboat Electronics

## 1. Nature of this Agreement

This Agreement governs your use of the GleanView online, cloud-based service and platform, which you are accessing at <https://app.gleanview.com/> (the "Service"). IT IS IMPORTANT THAT YOU READ AND UNDERSTAND THE FOLLOWING TERMS. This Agreement incorporates the specific terms regarding pricing, the subscription period, the number of permitted users and any other additional terms agreed upon in writing as part of your subscription plan (the "Subscription Plan"), our privacy policy at <https://gleanview.com/privacy/> (the "Privacy Policy") and our general website terms and conditions at <https://gleanview.com/tos> (the "Website Terms"). You should read and understand the Privacy Policy and the Website Terms as part of this Agreement. When we refer to this "Agreement" in this document, we are referring to the terms and conditions in this document and all of the terms and conditions in your Subscription Plan, the Privacy Policy and the Website Terms. If you are entering into this Agreement on behalf of a company or other legal entity, you are representing that you have the authority to bind the company or entity. In that case, the terms "you" and "your" in this Agreement refer to the company or entity.

## 2. Who you are contracting with

GleanView, LLC ("GV" or "we," "us" and "our") is the provider of the Service, regardless of the point at which you access the Service. We are a Florida limited liability company, with an address at 405 Golfway West Drive, Suite 302, St. Augustine, FL 32095. You may send all notices to that address to the attention of William Calhoun, or by email to [support@gleanview.com](mailto:support@gleanview.com).

## 3. Changes to this Agreement

GV reserves the right at any time to modify this Agreement and to impose new or additional terms or conditions on your use of the Service. Such modifications and additional terms and conditions will be effective immediately and incorporated into this Agreement. Your continued use of the Service will be deemed acceptance of the modified and additional terms and conditions.

## 4. Purchased Service

We will make the Service available to you pursuant to this Agreement. GV may from time to time, in its absolute and sole discretion, issue new releases or versions of the Service. You agree that your subscription to the Service is neither contingent on the delivery of any future features, functionality or updates, nor dependent on any oral or written public comments made by us regarding future features, functionality or updates.

## 5. Your use of the Services

A. The Service consists of software running remotely on servers controlled by us and hosted by an unrelated third party. You have no right to receive either an object code or source code version of the software operating on the remote servers. Your usage rights are limited to accessing the Service via a designated portal using username(s) and password(s) provided to you by GV.

B. We authorize you to permit use by the number of users included in your Subscription Plan to whom we have supplied usernames and passwords to access the Service ("Users"). You are solely responsible for maintaining the confidentiality and security of usernames and passwords. Neither you nor any User may share usernames and passwords. Users may access the Software solely for purposes related to your business, and not for any other business or purpose, including re-offering the Service to third parties. Only your agents and employees may be Users. You may not access the Service if you are a direct competitor of GV.

C. You represent that you have provided GV with accurate and complete information when registering with GV, and you agree to update this information to keep it accurate and complete. You represent that each User for whom you have applied for a username and password is your agent or employee. You represent that neither you nor any of the Users for whom you have applied for a username and password is on any list maintained by the United States government of persons or entities (a) prohibited from receiving exports or (b) otherwise identified in connection with terrorism or U.S. national security concerns.

D. You and your agents and representatives, including all Users, must comply with all applicable laws in connection with accessing the Service, including all laws involving private data and applicable export controls. You will be responsible for ensuring that each of your agents and representatives, including all Users, abides by the provisions contained in this Agreement. You are responsible for all User activity while accessing or using the Service. You may not make the Service available to anyone other than Users or assist anyone in attempting to gain unauthorized access. If you become aware of any unauthorized access to the Service or breach of security of usernames or passwords, you must notify us promptly.

E. You may not (i) use the Service to store or transmit infringing, libelous, obscene or otherwise tortious or unlawful material, or to store or transmit material in violation of third-party privacy or intellectual property rights, (ii) use the Service to store or transmit any computer viruses, "time bombs," "Trojan Horses," "worms" or any other malicious agents, code, files, programs, routines, scripts or software, (iii) interfere with or disrupt the integrity or performance of the Service or data contained on the Service, or (iv) load test the Service in order to test scalability.

F. You may not use the Services for the transmission of "spam" or unsolicited mass email - as defined on the Spamhaus website. You may not use the services in any manner such that your email bounce, abuse, or unsubscribe rates move above GV's acceptable use limits.

G. GV may suspend or terminate your or any User's access to the Service if such use is disrupting or causing harm to GV, the Service or GV's computer systems, or is in violation of, or likely to violate, any applicable laws or any of the terms and conditions of this Agreement.

H. Use of the Service requires compatible devices, Internet access, and certain software (fees may apply); may require periodic updates; and may be affected by the performance of these factors.

I. "Free Services" means any access to the Service that we provide to you on an unpaid or trial basis. We may suspend, limit or terminate access to the Free Services at any time for any reason without notice. We may terminate your access to Free Services due to inactivity. We may make changes that limit the features and functionality of the Free Services at our sole discretion without notice to you.

J. You may not use the Service to store, process or transmit credit or debit card numbers; financial account numbers or wire instructions; government issued identification numbers (such as Social Security numbers, passport numbers), biometric information, personal health information (or other information protected under any applicable health data protection laws), personal information of children protected under any child data protection laws, and any other information or combinations of information that falls within the definition of "special categories of data" under GDPR.
